'09 Recreational Soccer Program

Our Fall '09 Recreational Season will kick off in the beginning of August for our U10—U18 Recreational teams. Those teams will compete in the CESA Developmental League in Greenville. Those games are scheduled for Saturdays during the months of September and October. **ALL practices** will still be held at either Hurricane Park or Wren Primary.

The TCSC U6 and U8 Developmental League will begin on August 25th. On that night, ALL U6 and U8 recreational players will meet at Hurricane Park for player evaluations to be evaluated by the coaching staff in a variety of group activities and game play. These evaluations will help us to assign players to rosters evenly and maintain quality competition for the TCSC U6 and U8 Developmental League. Players will not be placed on a roster unless they attend the evaluation. Team assignments will be announced by August 28th and all team practices will begin on that following Tuesday, September 1st.
